MAST-FLOAT SIMPLE TO USE FOR DINGHY MASTS

Spinlock enjoy good sales of our ranges to sailing schools and beach resorts, globally as well as to sailors in dinghy fleets. Responding to a market gap for a better product at a better price, we introduce a range of Dinghy Mast Floats.

Simple to use, Mast Floats are either tied to the head of the sail or hoisted in the mast track. Available in 5L and 20L buoyancy, Mast Float can be joined together to provide additional buoyancy.

Appealing to sailing schools, beach resorts and sailors in fleets still learning and developing skills, Mast Float provides buoyancy when capsized to reduce the risk of mast inversion.

FEATURES

Universal valve for pump inflation

Quick inflation and deflation

Simple to attach

Toggles for combining Mast Float together to increase buoyancy

Robust and hard wearing for long life

Highly visible fabric aids instructors and coaches

Mast Track Tag allows for added security when fitting large or double floats

Model	Description
DW-MF/5	Mast Float 5L
DW-MF/20	Mast Float 20L (includes tag)
DW-MF/TT	Mast Float Track Tag
